

**Men's and Women's Succeed**  
84% polyester/16% spandex jersey fleece long sleeve pullover with 3/4 zip placket, and contrast inset detail at shoulder. Antigua branding on right sleeve.

**Antigua Outerwear –  
Good for all climates  
and great for on and  
off the golf course**

Antigua's based outerwear is created to function in various climates with a trend that focuses on layering. The current opinion is that weather fluctuations throughout the day make it easier to take off-and-add on layers to adjust for comfort and function. Antigua has the options to meet this demand. For more information visit: [www.antigua.com](http://www.antigua.com)

**Highland** 100% polyester interlock knit Desert Dry Xtra-lite water resistant long sleeve full zip jacket with contrast color insets and Antigua branding on right sleeve

**UST Mamiya, [www.ustmamiya.com](http://www.ustmamiya.com)**

The leader in premium carbon fiber golf shafts, UST Mamiya unveils three new shaft lines, including the next generation of the popular ATTAS models, the ATTAS-T2, as well as the new MP5 and MP6 lines. In addition to award-winning shafts the company is launching a new line of multi-compound grips in two different styles.
